

PRODUCT: MX Boot Resole & Repair offers boot repair services, ranging from stitching and seam repair to complete sole replacements on Sidi, Gaerne, TCX, Alpinestars, Fox or almost any other type of motocross boots using OEM-quality replacement parts. They have the ability to replace stitched-on or molded soles.

POSITIVES: Free return shipping within the U.S., excluding Alaska and Hawaii, is included in the price of the complete boot resole. There's also a fast repair turnaround. Our boots arrived to them on a Monday and we had them back for riding that weekend. All repairs come with a craftsmanship guarantee. Cleaning and a new steel toe was included with our Sidi X-3 resole at no extra cost.

NEGATIVES: They currently do not resole newer Alpinestars Tech 5 or Tech 6S youth boots.

BOTTOM LINE: Fast turnaround, free return shipping and quality workmanship all at a price that won't break the bank—what's not to like?! MX Boot Resole & Repair can also fix blown-out seams and various buckle issues, providing the parts are avail-

MX BOOT REPAIR

SIDI X-3 RESOLE

able from the manufacturer. This was a great life-extender for our Sidi X-3 boots that weren't ready for retirement yet.

PRICE: Complete resole starting at \$89.99
